DESIGNATING TEXAS TREE CENTENNIAL

Mr. Good offered the following resolution:

H. C. R. No. 27, To designate Texas Tree Centennial Day.

Whereas, On March 2, 1936, the people of Texas will celebrate one hundred years of independence and progress; and

Whereas, There is no more appropriate way of celebrating the past glories of this great State and the names and accomplishments of its great leaders than the planting of trees for the future enjoyment of coming generations; and

Whereas, This great State is the natural habitat of many trees that are valuable both for shade and for their fruits; namely, the pecan, chestnut, and walnut; now, therefore, be it

Resolved by the House of Representatives, the Senate of Texas concurring, That the year ending March 2, 1936, is hereby designated as Texas Tree Centennial celebration, and every school, church, fraternal order, Parent Teachers Association, 4H Club, Boy Scouts, Girl Scouts, and patriotic organizations of every nature throughout the State are urged to plant nut and fruit trees in the public parks, along the public roads, and in other appropriate places, each of such nut and fruit trees to be dedicated by

appropriate services on Texas Tree Centennial Day, March 2, 1936.

The resolution was read second time, and was adopted.

S. C. R. No. 18, Requesting Texas Congressmen to support certain measure.

Whereas, The Federal Government, by authority of the National Recovery Act, has provided ways and means whereby most all agencies, both governmental and private, can secure Federal loans and grants; and

Whereas, No provision has yet been made for extending this aid to churches and privately endowed colleges and universities; and

Whereas, There is an evident need of some financial assistance in order that these institutions may survive; therefore, be it

Resolved by the Senate of the State of Texas, the House of Representatives concurring, That the two Texas Senators and the twenty-one Congressmen representing the State of Texas, be, and are hereby, requested to support an amendment whereby our churches and privately endowed colleges and universities may become eligible to receive grants and loans under the National Recovery Act.

The resolution was read second time, and was adopted.

Mr. Walker moved to reconsider the vote by which Senate Bill No. 11 was finally passed.

The motion to reconsider prevailed.

Mr. Walker moved to reconsider the vote by which Senate Bill No. 11 was passed to third reading.

The motion to reconsider prevailed.

Mr. Walker moved to reconsider the vote by which the following amendment was adopted:

Amend Senate Bill No. 11 by striking out all below the enacting clause, and inserting in lieu thereof the following:

"Section 1. All independent school districts, including independent school districts which are now or may hereafter be controlled by any city or town within this State, shall have power to build or purchase buildings and grounds for the purpose of constructing gymnasias, stadia, or other recreational facilities, and to mortgage and to encumber the same, and the income, tolls, fees, rents, and other charges thereof, and everything pertaining thereto, acquired or to be acquired, and to evidence the obligation therefor by the issuance of bonds, notes, or warrants to secure the payment of funds to purchase same, including the purchase of equipment and appliances for use therein, and as additional security therefor by the terms of such encumbrance, may grant to the purchaser under sale or foreclosure thereof a franchise to operate said properties so purchased for a term of not more than ten (10) years after such purchase. No such obligation shall ever be a debt of any such school district and/or incorporated city or town, but solely a charge upon the property so encumbered, and shall never be reckoned in determining the power of any such school district to issue bonds for any other purpose authorized by law; providing that no election for the issuance of the evidence of indebtedness herein authorized shall be necessary, but may be authorized by a majority vote of the board of trustees of such school district.

"Sec. 2. Projects financed in accordance with this law are hereby declared to be self-liquidating in character and supported by charges other than taxation.

"Sec. 3. Whenever the income on such property shall be encumbered under this law, the expense for any repairs necessary to preserve such property shall always be a first lien and charge against such encumbrance. The tolls, fees, rents, and other

charges made and to be made for the use in connection with such properties shall be at a rate sufficient to pay the necessary repairs to such building and all interest and sinking funds required to pay any evidence of indebtedness issued to purchase or construct such properties. No part of the income of such property shall ever be used to pay any other debt, expense, or obligation of such school district until the indebtedness so secured shall have been finally paid.

"Sec. 4. Every contract, bond, or note, or other evidence of indebtedness issued or executed under this law shall contain the following clause:

"The holder hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation."

"When bonds are executed hereunder, they may be presented to the Attorney General for his approval, as is provided for the approval of other school bonds, and in such case the bond shall be registered by the State Comptroller, as in the case of other school bonds.

"Sec. 5. No contract, bond, or note, or other evidence of indebtedness authorized to be issued or executed under this Act shall be issued or executed after the expiration of one (1) year from the effective date of this Act.

"Sec. 6. No land upon which is situated any of the school improvements other than as described herein shall ever be subject to the payment of any indebtedness created hereunder, nor shall any encumbrance ever be executed thereon.

"Sec. 7. The fact that many school districts are in need of facilities hereunder described, and that the taxing power of such school districts is limited and will not permit the levying of a tax to purchase same, and the further fact that many applications are now pending for Federal loans under the present law which expires May 13, 1934, create an emergency and an imperative public necessity demanding the suspension of the constitutional rule, requiring bills to be read on three several days in each House, and said rule is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted."

The motion prevailed.

Mr. Walker moved to reconsider the vote by which the following amendment was adopted:

"S. B. No. 11,

A BILL

To Be Entitled

An Act authorizing independent school districts to build or purchase buildings and grounds for the purpose of constructing gymnasias, stadia, or other recreational facilities, and to encumber the same and the income thereof to secure the payment of the purchase price to evidence the indebtedness created thereby by the issuance of bonds, notes, or other evidences of indebtedness; providing that the purchaser shall have a franchise to operate same in case of foreclosure; providing that such obligations shall never be a debt of such school district; providing that such projects shall be deemed self-liquidating in character; providing that repairs to such properties shall be a first lien; providing that the tolls, fees, and other charges made for the use thereof shall be at a rate sufficient to pay the current interest and provide the necessary sinking fund therefor; providing the form of contract, bonds, or notes, and for the examination of bonds by the Attorney General and registration of same by the Comptroller; providing that no contract, bond, or note, or other evidence of indebtedness authorized herein shall be issued under this Act after one (1) year from the effective date of this Act; providing that no land upon which is situated school improvements shall be subject to the indebtedness created hereunder, and declaring an emergency."

MOFFETT,
